

**Bureau of Reclamation, Mid-Pacific Region
Central Valley Project
Municipal & Industrial Water Shortage Policy
Workshops**

Representatives Questionnaire

The Bureau of Reclamation (Reclamation) is convening four sequential Stakeholder Workshops on the Central Valley Project's (CVP) Municipal & Industrial (M&I) Water Shortage Policy (WSP). The purpose of the workshops is to provide a venue for CVP water contractors, local and regional agencies, interest groups, and others to discuss Reclamation's current draft M&I WSP and its future implementation.

As a willing workshop participant, we would appreciate it if you would please fill out the following questionnaire. The deadline to submit your responses is May 10, 2010. Please submit your responses to Tim Rust, Program Manager, via e-mail at trust@usbr.gov, via fax at (916-978-5290), or via mail at Bureau of Reclamation, Mid Pacific Regional Office, MP-400, Federal Office Building, 2800 Cottage Way, Sacramento CA 95825-1898.

Thank you for your interest in participating!

1. Name of Participant and CVP Contractor

2. Address

3. Daytime Phone / Fax / E-mail

4. Please provide the name and contact information for an alternative workshop participant

5. Select the Region you are representing

- ☐ American River Division
- ☐ Delta Division
- ☐ Friant Division
- ☐ East Side Division
- ☐ Sacramento River Division
- ☐ West San Joaquin Division
- ☐ San Felipe Division
- ☐ Shasta/Trinity River Divisions
- ☐ Other (Please Specify)_____

Areas of Interest/Concern

6. Please briefly list (in order of importance, number one being the most important), your top three interests in the M&I WSP.

- ☐ Non-Federal Water Supplies
- ☐ Historical Use Baseline
- ☐ Extraordinary Water Conservation Measures
- ☐ Recycled Water
- ☐ Groundwater Overdraft
- ☐ Public Health and Safety Definition
- ☐ Population Growth Adjustment
- ☐ Minimum Shortage Allocation
- ☐ M&I vs. Irrigation Reduction Other (Please Specify)

7. What recommendations or thoughts do you have in regards to ensuring that this process is successful?

8. Because of the sequential nature of these workshops, in order to be a participant, it is asked that participants commit to the continuity of the process in order to collaboratively provide input on Reclamation's revised Water Storage Policy.

Are you able to commit to this process over the next six months, and do you agree to participate to the extent needed in order to support a successful workshop effort?

☐ Yes

☐ No

Are you willing to participate to brief water contractors and stakeholders in your region on the progress of the workshop?

☐ Yes

☐ No

9. Members of this work group, as well as people working with the group, will appreciate knowing more about its participants. Please include below, or attach a brief (one or two paragraphs) bio that could be used for this purpose.

Thank you!
